Donate Redeemable Cans and Bottles

Redeemed cans and bottles that were gathered from our community will be given directly back into the community to spay/neuter and vaccinate community cats - and hopefully help reduce the number of unwanted cats being born each year in Iowa County! So if you have donated your recycled cans/bottles to us, please know our volunteers that run this program appreciate your support, and are so happy to work together with you all to make a positive impact in our community!
